

# The New Hotels to Check into this Season

1st October 2018 // By **Lauren Hill**

Some having just opened and others slated to come on the scene before the end of the year, these are the most exciting new hotels to check into this season.

## Jost, Maldives

Opening today, this new private island resort in the Maldives is a true luxury retreat. Each of the 20 villas is a work of art, with the ocean view, turquoise sea, white sand and blue sky of the Maldives is yours to enjoy in an intimate art studio and gallery, and activities for local artisans and craftsmen will have access to the beach and the sea. There are also a number of spa treatments, including massages, facials, and body treatments, and a range of other services. The most luxurious feature is the four-bedroom beach residence, which covers 5,000 sq ft of beachfront and includes a private infinity pool, spa, cinema and sauna.
